Executive Summary
SY22-23**

Introduction

In alignment with the goals and priorities of Prince George's County Public Schools (PGCPS), the School Performance Plan (SPP) allows for a transparent and collaborative school improvement process with a focus on student achievement.

An addendum to the School Performance Plan was developed in School Year (SY) 2022-2023 as the continuation of the detailed work and planning completed in the previous years. The SPP Addendum focuses schools on engaging in disciplined inquiry cycles through the use of Plan, Do, Study, Act. Through the successful utilization of Plan, Do, Study, Act, schools are able to plan, assess, and study school improvement actions to impact student achievement and teacher practice.
