Enroll by November 8, 2024

This year, we will use a new enrollment platform: **Benefitfocus (Bf)**. With a simple, intuitive design makes it easy to understand your options so you can make the best decisions for you and your family.

During the Open Enrollment period (October 28 – November 8, 2024), log on to [Benefitfocus](#) to review your options and select your benefits coverage. If you don't enroll, your current benefits will remain the same in 2025. There's only one exception: if you participate in the Flexible Spending Accounts (FSAs), **you must re-enroll each year.**
