

**ACTIVE PROJECTS BY THE NUMBERS**

**ACTIVE PROJECT STATUSES**

- **Planning** - Project plans are documented, the project deliverables and requirements are defined with stakeholders and reviewing agencies, and the project schedule is created.
- **Scope Development** - A comprehensive scope suitable for design or design-build procurement is being developed for the approved project.
- **Design Procurement** - Services are being solicited for architectural/engineering services to complete design documents.
- **Design** - Project is being designed by the Architect/Engineer and going through the necessary review & approval processes.
- **Contractor Procurement** - Construction services are being solicited.
- **In Construction** - The construction work is awarded to a Contractor and preconstruction (e.g., material ordering) and/or active construction is underway.
- **Substantial Completion** - Construction work is sufficiently completed with all requisite inspections & approvals obtained for use and/or occupancy.
- **Final Completion (Closeout Approval Requested)** - Project manager has fully accepted contract work AND punchlist/corrective work is 100% complete; any required trade permits/inspections are 100% approved; applicable operating manuals, as-builts & warranty information are on hand; and, final payment is approved.
