READING

I-READY TESTING IS OFFICIALLY OVER! THANK YOU SO MUCH FOR SETTING YOUR STUDENTS UP FOR SUCCESS. WE ARE NOW MOVING INTO READING REALISTIC FICTION AND WRITING MORE ANALYTIC SAMPLES. SOME OTHER THINGS WE ARE WORKING ON ARE COMPARE & CONTRAST, FIRST AND THIRD PERSON, AND THE WRITING PROCESS.

WAYS TO ENGAGE AT HOME

- PRACTICE SPELLING
- CONTINUE TO READ FOR 20 MIN./DAY
- PRACTICE HANDWRITING

MATH

October is all about multiplication! Students will use the multiplication facts they learned in third grade as they work with larger numbers. In this unit, students will learn to compare using multiplication and will learn several ways to multiply two-digit numbers.

Ways to engage at home

- Practice facts with flash cards
- At the grocery store: How many rows/columns in a box of cupcakes?

SCIENCE

In October we will dive deeper into the study of energy & motion as we discuss types of energy, energy transformation and energy conservation. We will also begin focusing on speed and how it effects motion.

SOCIAL STUDIES

In celebration of Hispanic Heritage Month, students will complete their first independent research project in 4th grade. The project will focus on a notable Hispanic figure and their contribution to society.

Projects are due by Monday, October 14th 2024.
